Winter Programming 2022

Founded as a Chapter of First Tee's National program in January of 2008, First Tee – Coachella Valley ("FTCV") has impacted the lives of over 7,000 young people through the Life Skills Experience classes and In-School and After-School programming at multiple Green Grass Facilities and Schools throughout the Coachella Valley. FTCV provides a safe, healthy, and positive environment in which students learn character development and First Tee Nine Core Values through the game of golf. FTCV aims to hook kids as life-long PLAYers of the game, teach them how the rules of the game can be applied to everyday life situations, and empower them to excel in school and beyond. Youth programs operate Monday through Saturday at green grass program locations throughout the Coachella Valley.

As First Tee – Coachella Valley continues programming, the safety and health of our participants, their families, coaches, and volunteers remains the top priority. Thank you for your involvement and support of First Tee – Coachella Valley and for investing in your child's future. We are so excited to welcome back our returning players and welcome new players to **First Tee – Coachella Valley!**
